# Forever in Our Hearts

**Earl Knee**

**Verna Knee**

**Orvis Delcamp**

As another passes it would not be disappointing if we did not have a memorial page due to the fact that we did not lose anyone from our family of workers here at the Harmony Fair. However that is not the case for this year. Last summer after our premium book went to print, we lost Earl Knee from our circle of friends. Earl for many years worked with his wife, Verna coordinating the Craft Vendors. Besides the Craft Vendors Verna was instrumental in developing our scrap book. She was here along with Earl, before, during and after with her camera capturing the memories for the future. Earl was there helping with the maintenance and cleaning of the buildings as fair time rolled around. After the passing of

Verna the task of coordinating the vendors was picked up by Elizabeth Westover but that wasn't the end of duties for Earl. He began helping in the food stands by cooking, serving and when needed, repairing. Thank you to Earl and Verna for their team work here at the fair.

This past February, we lost one of the founding fathers of the Harmony Grange Fair, Orvis Delcamp. Orvis was the treasurer, electrician, plumber, appliance repairman and more. Then in the early seventies the secretary and treasurer positions were combined into one which Orvis held until he retired in 2003. Orvis throughout his lifetime was not only one of the supporting backbones in the Harmony Fair organization but also in the community. He was

the man every farmer called within a 3 county area called for electrical, refrigeration and milking equipment problems and installations. These same abilities were used at the fair also. He would wire the buildings during the summer, wire the vendors when they arrived, repair anything that broke during the week of the fair and still took care of all of the duties of the secretary/treasurer. By the way he did all of this by being self taught! Orvis was a self taught, self motivated, selfless individual that started and sustained the fair while teaching those of us that are the second generation of fair workers. Thank you to these individuals and their families for the contributions to the Harmony Grange Fair.

# HARMONY GRANGE FAIR

5386 Ridge Rd, Westover • September 21-25, 2010  
814-659-0450 or 814-932-5576, during Fair week 814-762-7688

All exhibitors are encouraged to take advantage of pre-registration. Fill out the form at the end of the book and mail to: Janet Whited, 263 Morris St., Northern Cambria, PA 15714

All animal entries **MUST** be pre-registered! Deadline for pre-registration must be post-marked by **Friday Sept. 3, 2010**. Entries excluding livestock will be accepted Monday, September 20, from noon till 8 p.m. and Tuesday September 21, from 9 a.m. till Noon. **Pre-registration for all exhibits is highly recommended.** Livestock may be removed Saturday September 25, after 10:00 p.m. **All other entries will be released Sunday September 26, from 2 p.m. till 4 p.m.** Judging takes place Wednesday September 22, 2010.

## GENERAL RULES

1. All exhibitors agree to be bound by the rules and regulations of the Harmony Grange Fair.
2. The fair management reserves the right to amend or add to these rules and regulations as its judgment may determine.
3. Reasonable care will be taken to protect all exhibits on display from all injury and damage but the fair is not, in any way, to be held responsible for accidents, loss or damage by water, fire, and theft or otherwise, whatever may be the cause or extent of the damage or loss.
4. Entries will be made according to classification.
5. Premiums, as listed, may be given for meritorious exhibits. In cases where there is no competition, judges may give an award such as they deem the exhibit is worthy to receive. Same rule applies where there are fewer entries in any class than the number of premiums offered. The judges may, at their discretion, award a ribbon or rosette. The fair reserves the **RIGHT TO DETERMINE** how many entries they will accept from an exhibitor in the same class, or, in the case of livestock, the same breed, and poultry, the same species.  
**THE DECISION OF THE JUDGES SHALL BE FINAL IN ALL CASES** except where mistakes, fraud, misrepresentation, or collusion not discovered at the time of the award is proved. In such cases, the superintendent, manager, or secretary of the fair or show; or such referee as he may appoint, may make the decision. The case may be appealed to the Fair management or Show Commission from whose decision there can be no appeal.
6. It shall be the responsibility of the exhibitor **TO PROPERLY NAME THE ARTICLE OR BREED OF LIVESTOCK** he is entering. Any exhibit improperly entered will be disqualified to receive a premium, but the judges will make the correct name on the entry tag for the benefit of the owner so the same mistake in entering need not be made for the second time.

7. **All entries must have been grown, produced, or made since the last fair by the person whose name appears on the tag as exhibitor.** Any exhibitor may be required to prove ability to reproduce entry in any department in the presence of a qualified person.
8. Superintendents reserve the right to bar from competition animals, vegetables, flowers, poultry, products, and manufactured articles of decidedly inferior quality and those not possessing sufficient merit to warrant recognition. The fair reserves the right to remove any exhibit not worthy of viewing by the public.
9. Food products cannot be polluted with any substance or chemical that causes them to become poisonous and unfit to be used as food. Any such incidents must be reported to the Pennsylvania Agricultural Fair Program for further review.
10. No exhibit may be removed at any time before the close of the fair except by consent of the Superintendent of the department and fair management.
11. Where award ribbons are stolen or destroyed, the exhibitor may receive a duplicate at the close of the fair or show which shall be supplied by the fair free of charge.
12. **DEPARTMENT SUPERINTENDENTS MAY ENTER EXHIBITS IN THEIR OWN DEPARTMENTS**, but neither they nor any other exhibitor may communicate with the judges during the time of determining the awards, except to answer questions proposed by the judges.
13. All livestock offered for premiums must have been the property of the owners for thirty (30) days or longer. **Health papers are to be issued in the name of the exhibitor.**
14. Should any animal awarded a prize be disqualified, the animals gaining the lower prizes shall move into the next higher position, if in the opinion of the judges, the animals are worthy of such prizes.
15. Over fitting of cattle is discouraged. Any artificial means used to change the form or shape of an animal will disqualify it from competition.
16. When on exhibition in the ring, each animal must be under halter in charge of owner or employee. The fair will have stand-by attendants available during the youth judging or showing if there is trouble with the animals.
17. Joint ownership is considered to be as one owner in accordance with registration papers.
18. Intoxication, disorderly conduct, gambling and lewd or obscene conduct is strictly prohibited.
19. No unauthorized peddling will be permitted on the grounds.
20. No person will be permitted to act as judge of any class in which he / she may be an exhibitor.
21. In all departments, blue ribbons shall represent first place; red, second; white, third; yellow, fourth; green, fifth.
22. On all fair parking areas, the Harmony Grange Fair and its officers or agents, will not be responsible for any accident, loss, theft, or damage. Park at your own risk.
23. The fair reserves the right to construct its own rules, regulations, and to decide arbitrarily all matters in regard to formulate and enforce special rules for any conditions that are not covered by the list of rules and regulations.
24. While it is the desire of the Association to pay all premiums in full, should any contingency arise by reason of unfavorable weather or any other unfavorable cause whereby the receipts of the Association are insufficient to do so, then in that event, the right is reserved to pay pro rata in all exhibition classes after deducting expenses and the amounts so paid shall discharge all obligations of the Association for the current year.
25. **NO PETS ALLOWED ON FAIRGROUNDS, EXCEPTION FOR SERVICE ANIMALS.**

## LIVESTOCK HEALTH RULES AND REGULATIONS

All animals admitted to the fair shall be identified by a unique and permanent ear tag, tattoo, brand or records of unique physical attributes. Animals known to be infected with or exposed to any contagious, infectious, or external parasitic disease, and animals restricted by quarantine may not be assembled for show purposes. Animals presented for exhibition will be subject to inspection by show officials and will be rejected if evidence of infectious, contagious or parasitic disease is apparent or if health certification or identification documentation is not acceptable. All show animals should be held in isolation for at least 30 days after return to the herd of origin. **IMPORTANT: ALL HEALTH PAPERS MUST BE CHECKED BEFORE UNLOADING.** Be sure to use only grooming products that are approved for use on meat and dairy animals when fitting your animals for show. Unapproved products may contain ingredients that result in unacceptable residues in the meat or milk. If you are not certain that a product is residue safe and approved for use on meat or dairy animals do not use it! **"IMPORTANT!"** If upon slaughter, treatment with drugs, biologics or any chemical from fitting products is the cause of condemnation of a carcass, the loss of the carcass and any other damages will be borne by the exhibitor. Deadline for entries is shown in this Premium list under each department. Exhibitors must agree to display their animals as directed by the superintendent and will accept the stalls assigned by him or her. Livestock exhibitors should mail their entries to: Janet Whited, 263 Morris St., Northern Cambria, PA 15714 by Friday, September 3, 2010.

## GUIDELINES FOR CARE OF ANIMALS

It is the responsibility of each exhibitor to care for animals in a manner that is responsible and ethical. Following are some guidelines for the treatment of animals exhibited at the show.

### a. Restraining Animals:

- I. Animals should be tied or penned in a manner that will not hurt the animal or restrict its breathing in any way.
- II. Animals should be tied so that all four feet are firmly on the ground and they have enough room to stand comfortably and lie down.
- III. Animals should be tied so that they are not able to injure animals tied near them.
- IV. Animals unaccustomed to each other should not be penned together.

**b. Handling:** Any type of rough handling which could harm the animal is prohibited. The use of whips, canes and show sticks should be restricted to showing only and then be used only to guide the animals, not punish them. Remember, animals will respond quicker and better to quiet, gentle handling, than loud, rough handling.

**c. Bedding:** All animals should have bedding that is dry and clean. Pens should be cleaned regularly to keep the animals clean and comfortable. If non-traditional bedding such as carpeting is used, it should be regularly cleaned (at least twice daily) to keep the pen free from manure.

**d. Feeding & Water:** Animals should be well fed and have access to clean water regularly. Realizing that many market animals must have restricted amounts of feed to maintain proper weight, animals must be fed adequate amounts of feed to, meet the animal's basic requirements. Animals not allowed reasonable access to feed and water will be disqualified from the show.

**e. Transportation:** Animals should be transported in a way that is both safe and considerate of the animal's well-being.

**f. Blanket/Sweat Collars:** Any type of material such as blankets or sweat collars should be large enough to permit normal body functions such as breathing, eating, drinking or lying down.

**g. Health:** It is the responsibility of the exhibitor to provide proper health care for their animals through routine inspection and consultation with health care professionals. The improper or illegal use of drugs or antibiotics is prohibited. If medication is indicated, be sure to follow the label directions and allow more than the stated withdrawal time.

**SHEEP**

Superintendent: Faye Pennington 814-743-2034

All livestock must be pre-registered by Friday, September 3, 2010.

1. A Certificate of Veterinary Inspection (CVI) issued after May 1, 2010 is required.
2. All animals must be free of infectious and contagious diseases. Animals appearing unhealthy upon arrival may not enter the exhibition grounds.
3. An Animal Owner or Caretaker's Verification of Veterinarian-Client-Patient Relationship (VCPR) form must accompany each animal, and must be presented upon arrival at the exhibition.
4. Individual official USDA scrapie animal identification is required. Official scrapie ID includes:
  - A scrapie eartag. Contact the USDA to obtain scrapie eartags at 1-866-873-2824, weekdays from 9 AM to 5 PM. Your order may take several weeks for processing, so order tags early; or
  - A scrapie tattoo with individual animal ID (tattoo); or
  - An ISO-compliant RFID tag.
5. A current rabies vaccination administered by a licensed veterinarian is required for animals 3 months of age and older (market sheep are exempt from this vaccination requirement). All vaccine label directions must be followed, and all rabies vaccinated sheep must be accompanied by a rabies vaccination certificate or the vaccination information must be included on the CVI. If a rabies vaccination certificate is provided, the certificate must contain legible name and contact information of the veterinarian who administered the vaccine and the veterinarian's signature. A copy of the rabies vaccination certificate is acceptable.

**SR. VEGETABLES**

Superintendent: Doug Weaver 814-277-5501

1. In selecting vegetables for exhibition, choose such specimens that would bring the highest market prices. Do not select the largest; select medium size specimens. Avoid mixing varieties.
2. These factors are generally used by an expert vegetable judge:
  - a. Trueness to variety type. Pick the specimens from one variety.
  - b. Uniformity in size, shape and color.
  - c. Pick out a perfect specimen; then select others as similar to it as possible. Never mix specimens or varying maturities.
  - d. Protect from dirt, disease, infection and mechanical damage. Select specimens that are perfect and show no blemishes of any kind.
  - e. Condition and maturity. Be sure exhibits are of high quality.
  - f. Potatoes should not be washed. Remove soil using a soft cloth or brush.
  - g. Tomatoes should have stems removed. Carrots, beets, etc. should have top (leaves) removed leaving about two inches of stem.
3. Read premium material. Carefully follow all rules and regulations. If any entry calls for five specimens, exhibit that number; do not enter four or six. Your exhibit will be disqualified for having a number of specimens other than that stipulated.
4. All entries must be grown by exhibitor.

## SECTION: 2

### CLASS 1. Blue Ribbon Apple Pie Contest Premiums \$25, \$20, \$15, \$10

## BLUE RIBBON APPLE PIE CONTEST

INSTRUCTIONS TO BE USED BY FAIRS AT THEIR 2010 EVENT - Each county/local fair is encouraged to conduct a 23rd Annual Blue Ribbon Apple Pie Contest at their 2010 event. Listed below are the criteria which we would like each fair to use in their contest. The certified first place winner from each fair will then have the opportunity to enter an apple pie in the BLUE RIBBON APPLE PIE CONTEST at the 2011 PENNSYLVANIA STATE FARM SHOW.

- Each pie should be judged on the following basis: Overall Appearance 15 points, Crust: color, flavor, texture, doneness, 20 points, Flavor: 30 points, Filling: consistency, doneness, moistness and flavor, 25 points, Creativity: 10 points. Creativity is essential to a varied competition. Do not limit your contest to a "traditional" two-crust apple pie. We are looking for a variety of fillings in the pies; the pie must include at least 60% apples in the filling.
- A neatly handwritten or typed recipe for the pie and pie crust must be submitted on a standard 8 1/2 by 11 sheet of paper. Please use one side only. This recipe will also need to be submitted when entering at the Farm Show.
- Refrigeration is not available at the Fair or PA Farm Show. Entries that require refrigeration after baking must indicate so in the recipe. Those entries will not be sold, auctioned or otherwise distributed for consumption after the judging for food safety reasons.
- Each fair will certify the winning apple pie baker and this person will be eligible to enter the state competition at the 2011 Farm Show.

**NOTE:** If an individual is the certified winner at more than one event, that individual will have to choose which fair he/she will represent and will notify that fair so the fair can certify the next place winner as its official entry. We are trying to encourage participation from as many fairs and individuals as we can for the growing PA Farm Show event. Each fair should also take the responsibility to inquire of the winning contestant as to whether he/she is a winner at another fair and handle it accordingly.

Premiums for the 2011 PA FARM SHOW competition will be as followed:

First Place.....\$160.00  
Second Place.....\$100.00  
Third Place.....\$70.00  
Fourth Place.....\$40.00  
Fifth Place.....\$35.00

At the PA FARM SHOW level, this contest is jointly sponsored by:  
The Pennsylvania Apple Marketing Program  
The Pennsylvania Department of Agriculture  
The Pennsylvania State Association of County Fairs

18. ALL DRIVERS MUST SIGN THE WAIVER FORM AND WEAR AN OFFICIAL WRISTBAND.
19. Puller must register, pay all prevailing hook fees and attend the drivers meeting prior to hooking to the weight transfer machine.
20. 2 Drivers per truck will be allowed in the contest. Both drivers must meet hitch fees.

21. Contest to be operated in the same fashion as the other pulling classes in that session.
22. Judges decision to be final in all cases. Any argument will result in disqualification and immediate ejection from the premises.
23. Truck must start with a tight hitch, no jerking or working of clutch after pull is started. Any violation will be disqualified.
24. No one is allowed on track except Track Officials, Judges and Contestants.
25. No one other than the driver permitted in the truck while it is pulling.
26. Truck and sled must remain in boundaries during pull. Any attempt to move sled is considered measurable.
27. Contestant must pull in assigned position, and within 3 minutes of sled spotting. (Track Official to determine position change if necessary.)
28. First puller is test puller with option to repull in third position. All decisions on repull must be made before truck leaves track with judge's approval. Any disqualification's on first pull bars second attempt. During pull-off only one attempt is allowed to make measurable pull.
29. Each puller may use the 75' mark on the first attempt failure to reach that point shall entitle the puller to an immediate re-hook.
30. If all other weight transfer techniques fail to produce a winner in the pull-off, the chain may be lengthened at the option of the director of the pull.
31. **JUDGES DECISION FINAL IN ALL CASES. ANY ARGUMENT WILL RESULT IN DISQUALIFICATION AND IMMEDIATE EJECTION FROM THE PREMISES!**
32. **ENTRIES CLOSE AT 6:30 PM, UNLESS DUE TO TRAFFIC HOLD-UP.**

## JUNIOR VEGETABLES

Superintendent: Doug Weaver 814-277-5501

1. In selecting vegetables for exhibition, choose such specimens that would bring the highest market prices. Do not select the largest; select medium size specimens. Avoid mixing varieties.
2. These factors are generally used by an expert vegetable judge:
  - a. Trueness to variety type. Pick the specimens from one variety.
  - b. Uniformity in size, shape and color.
  - c. Pick out a perfect specimen; then select others as similar to it as possible. Never mix specimens or varying maturities.
  - d. Protect from dirt, disease, infection and mechanical damage. Select specimens that are perfect and show no blemishes of any kind.
  - e. Condition and maturity. Be sure exhibits are of high quality.
  - f. Potatoes should not be washed. Remove soil using a soft cloth or brush.
  - g. Tomatoes should have stems removed. Carrots, beets, etc. should have top (leaves) removed leaving about two inches of stem.
3. Read premium material. Carefully follow all rules and regulations. If any entry calls for five specimens, exhibit that number; do not enter four or six. Your exhibit will be disqualified for having a number of specimens other than that stipulated.
4. All entries must be grown by exhibitor.
